

News Flash: The Irish Beach Water District Proclaims Well #2 the Charlie Acker Well

On November 9, 2024, the Irish Beach Water District Board of Directors recognized Charlie Acker's 30+ years of dedicated service by naming Well #2 the "Charlie Acker Well" (CA-W2). This honor commemorates Charlie's more than 30 years of dedicated service to the Irish Beach community.

Over the course of his career, Charlie completed innumerable infrastructure improvement projects. On his last day as the IBWD Water System Manager, the Operations crew celebrated the issuance of the permit for the Charlie Acker Well and filled Tank 2 from his namesake well, marking the latest in a career of achievements.

The Irish Beach community is fortunate to have had Charlie's decades of service. Please join the Board in thanking Charlie.
